

AGM Friends report 2026

Thank you to all those who continue to support the orchestra so faithfully with their subscriptions and donations, as Friends, Patrons and Sponsors. At the time of writing we have one two Patrons, bringing the total to 9, and 19 Friends have renewed their subscription. I look forward to some more renewals very soon and hope Norton Peskett will continue their sponsorship of the orchestra.

With the move to the Marina Theatre our Friends and Patrons have been given a code for buying their tickets, once I have received their subscription. We are gradually moving to more online banking but the majority of Friends and Patrons still prefer to pay by cheque.

The chocolate draw prize is, at the moment, being provided by members of the Committee, but if anyone knows of a local business who would be willing to provide a box of chocolates for each concert in return for a mention on the programme, please let me know.

Please also encourage your friends and families who come to our concerts to become supporters of Waveney Sinfonia by subscribing as Friends or Patrons. We need everyone's support if we are going to continue to flourish.

Caroline Kinchin-Smith

(Friends Secretary)
